

The Identity:

The Script: "Shirai" is the personal seal of quality and heritage.

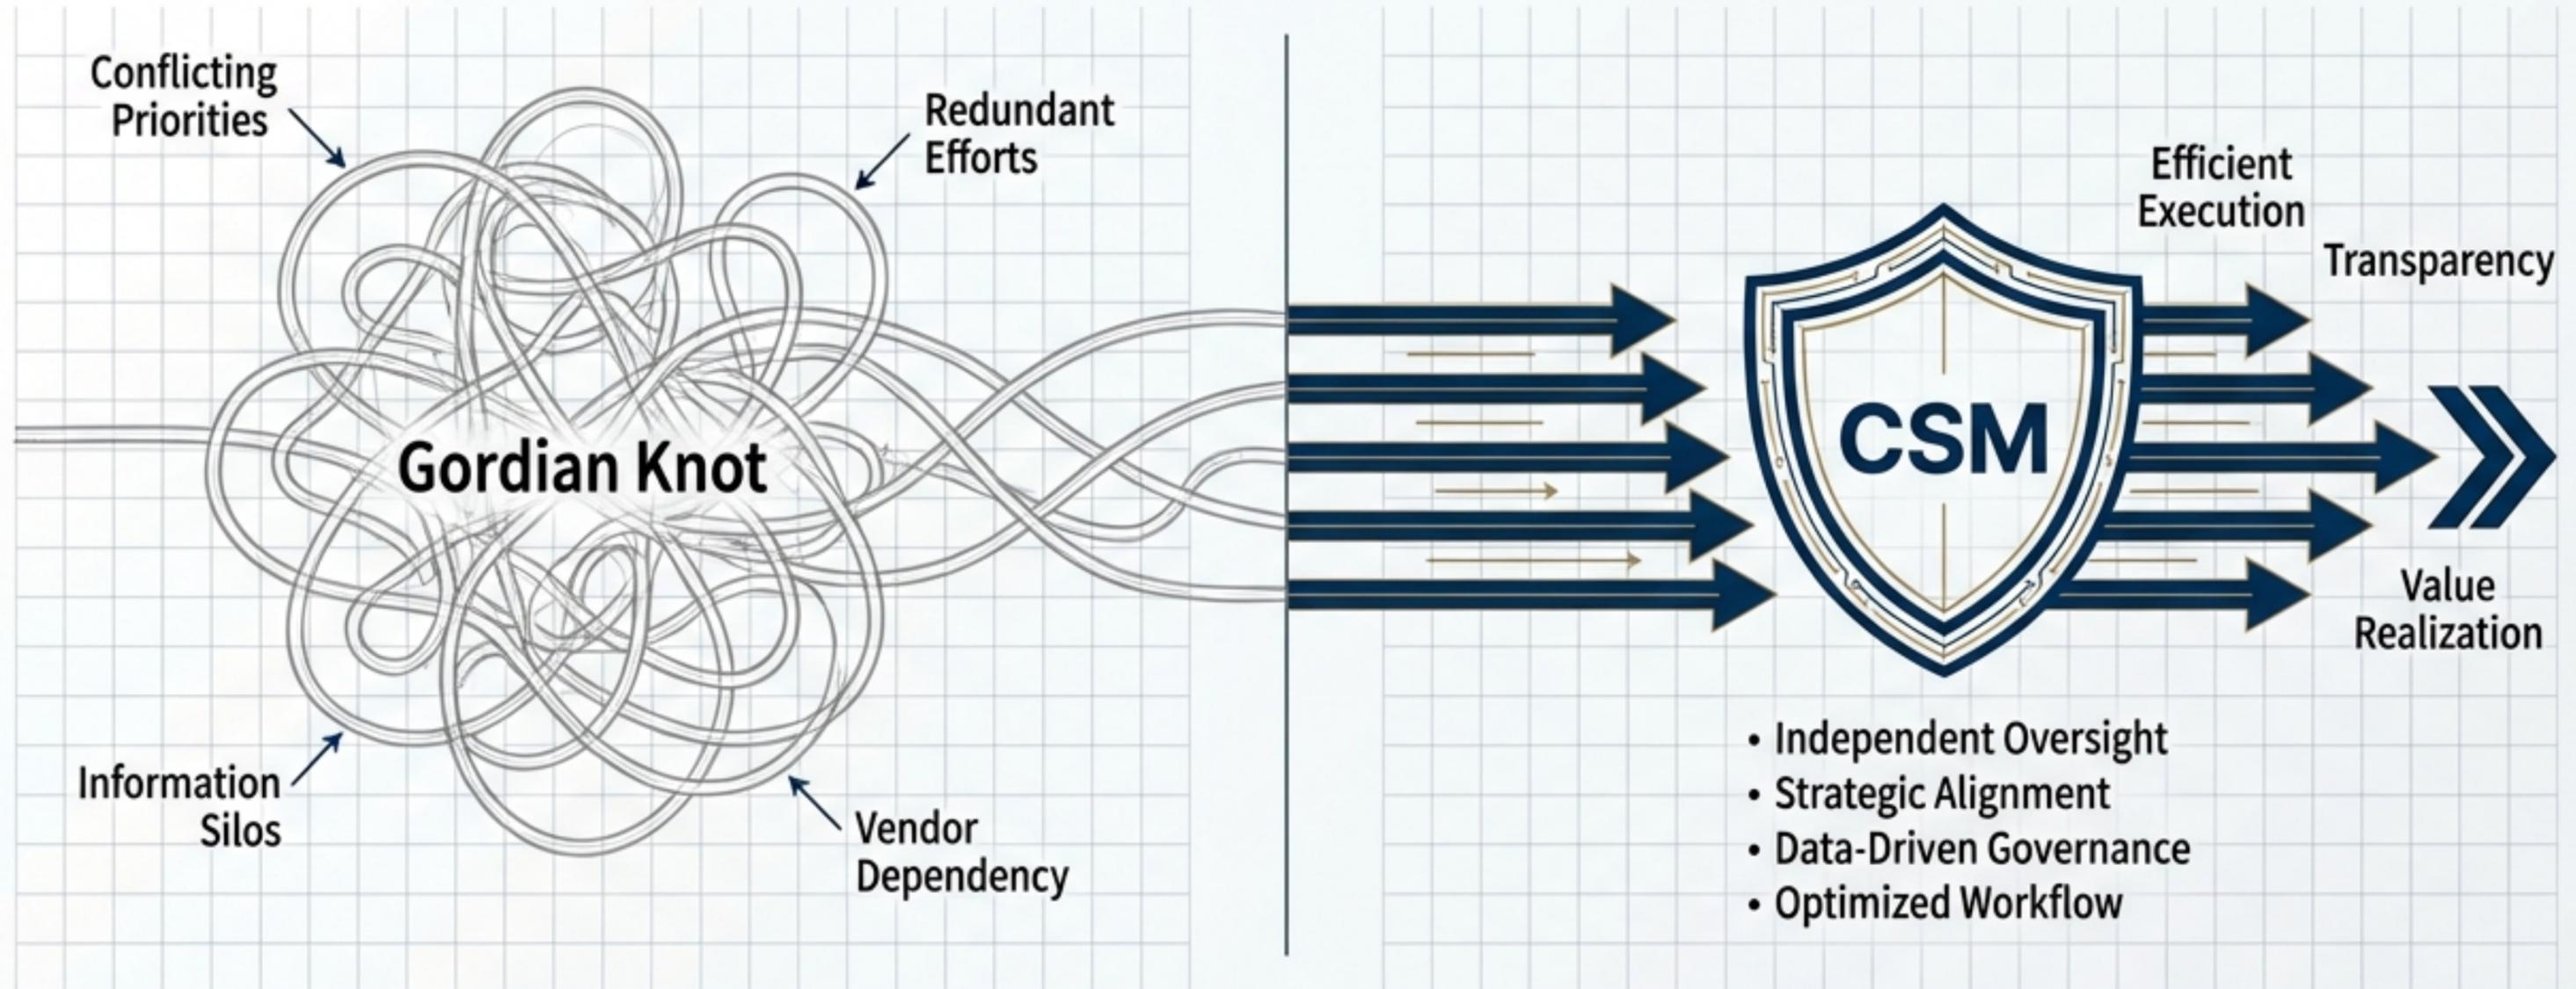

The Color: Deep Red symbolizes "Prosperity" and a "Win-Win" philosophy.

The Icon: The Daruma is a promise of completion. We fill in the other eye only when the project is done.

CHIAKI SHIRAI MANAGEMENT

Japanese Precision. Global Execution.

DX Failure is a Governance Problem, Not a System Problem.

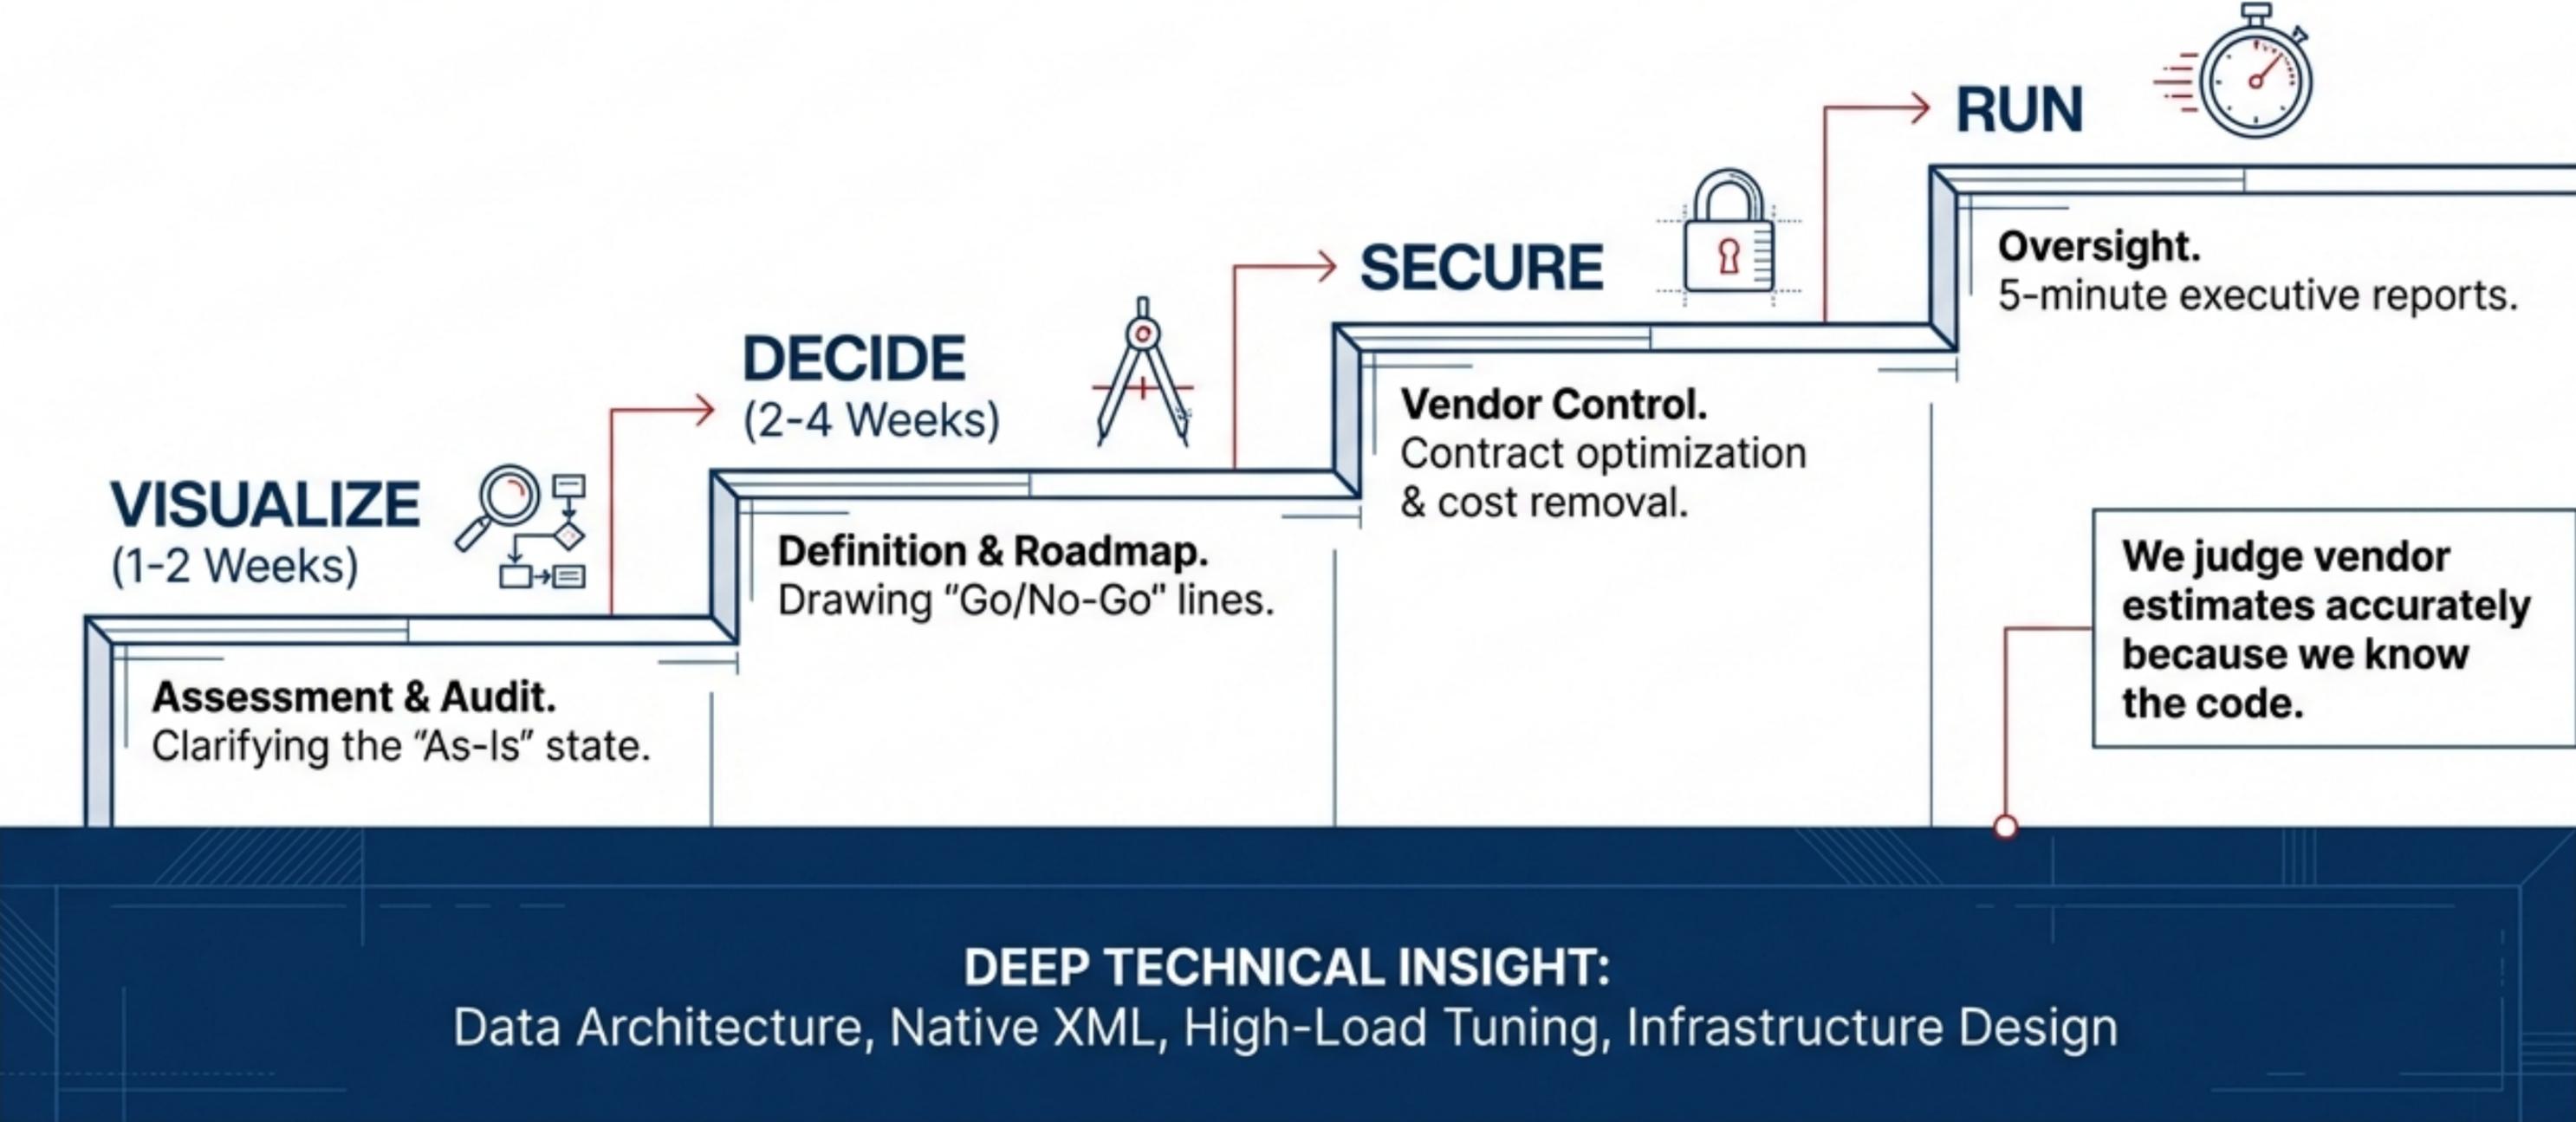

The Current State: Vendor Lock-in, Endless Rework, No Visibility.

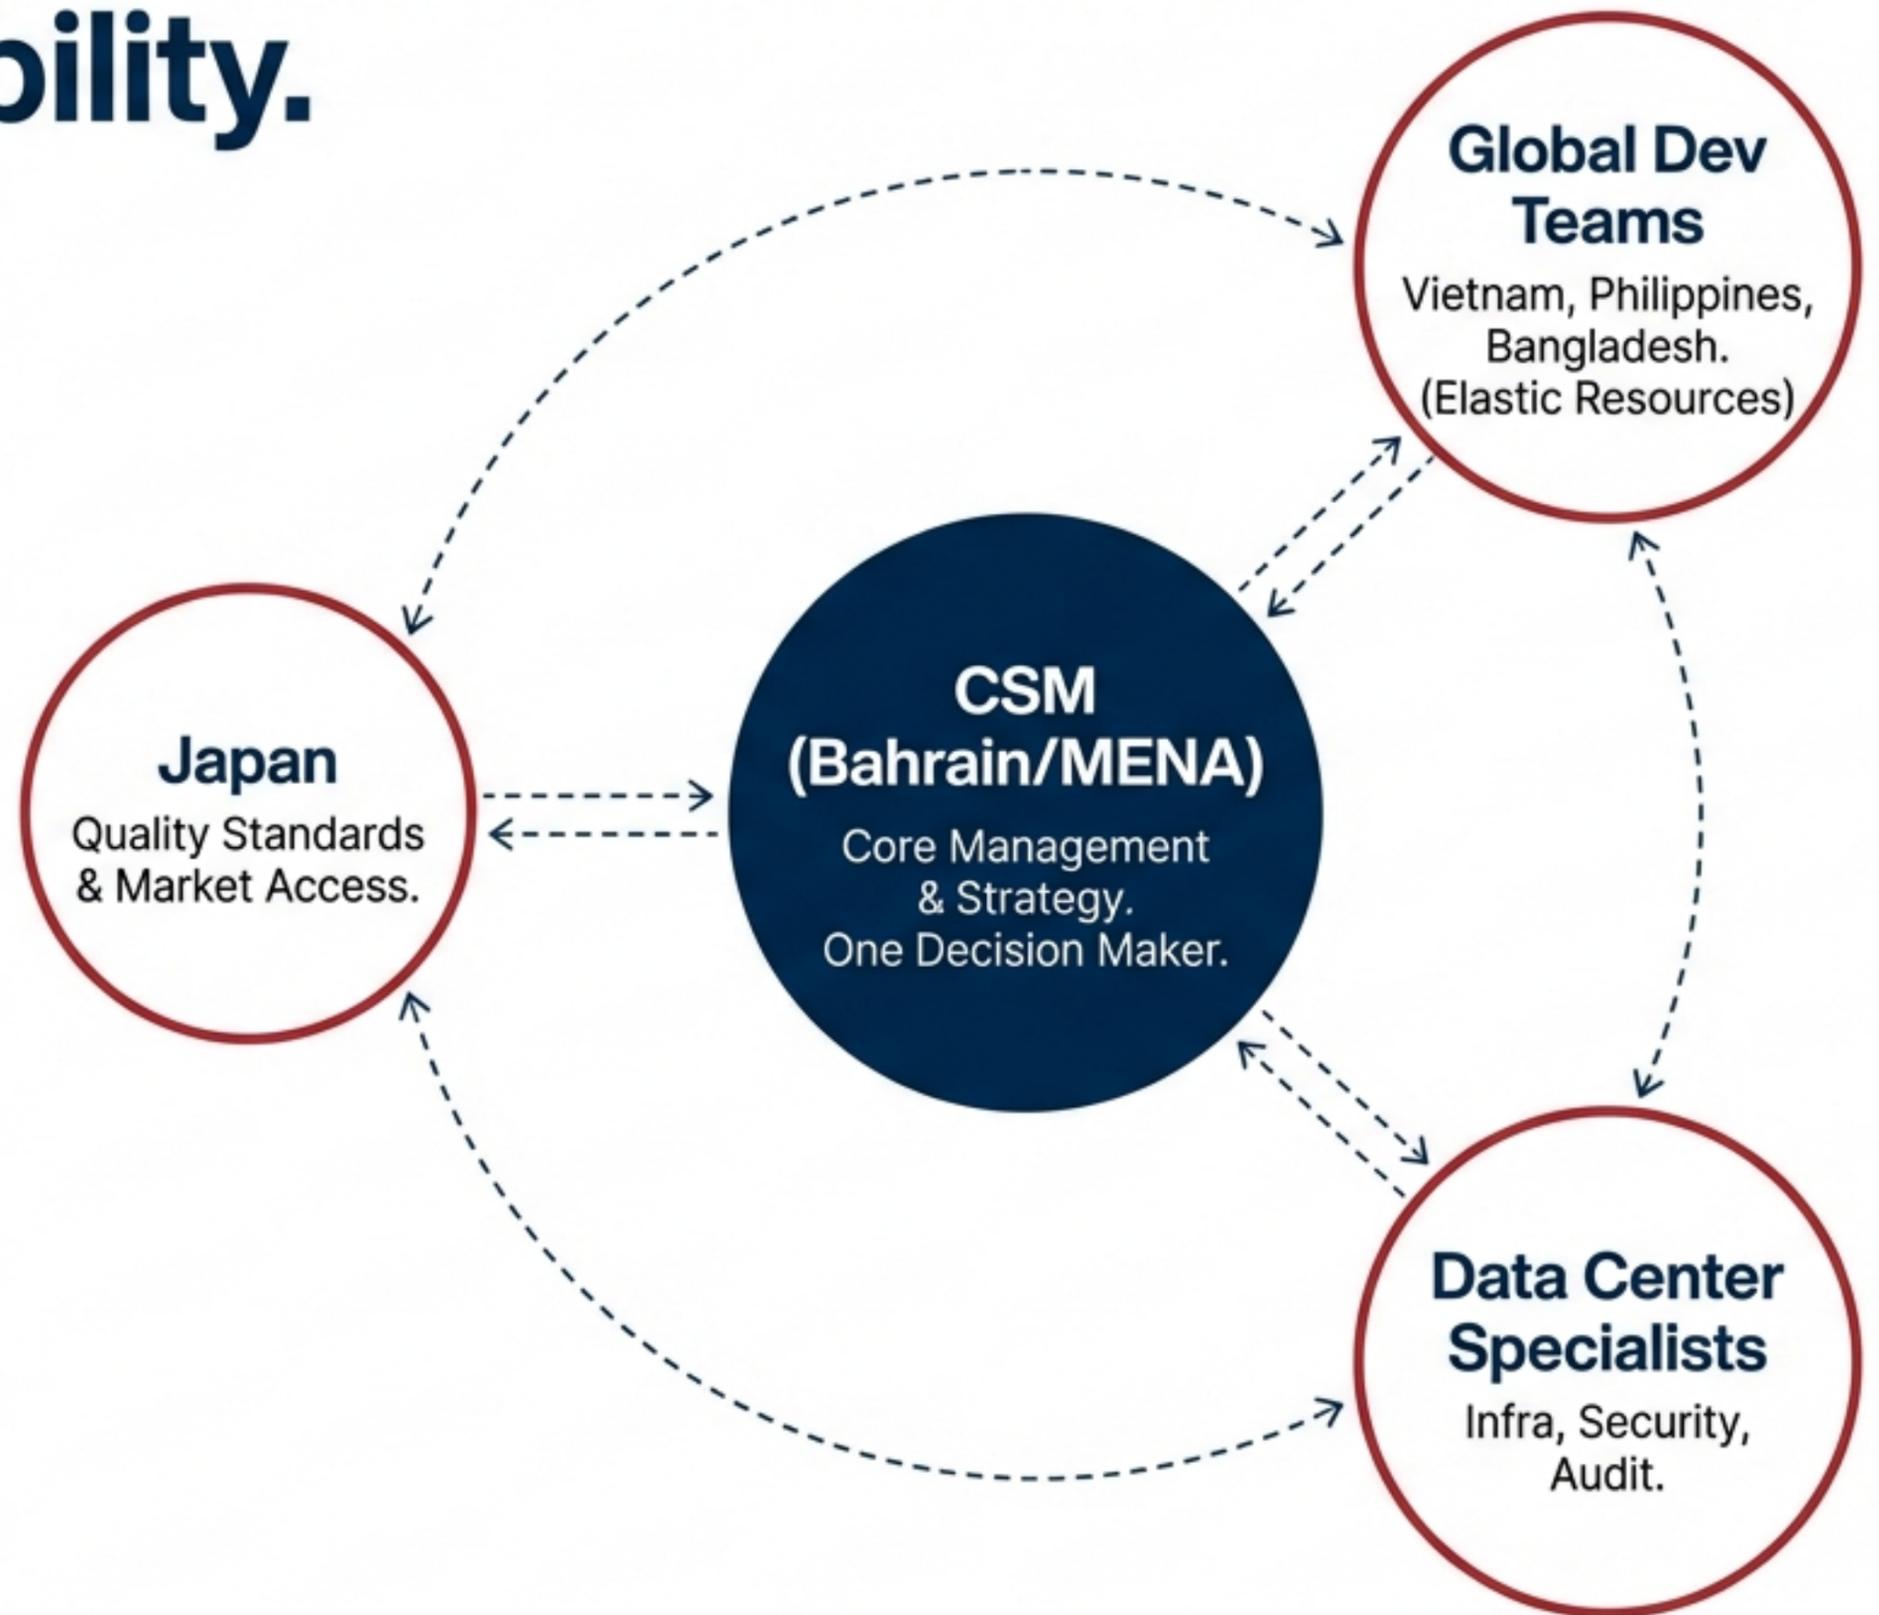

The CSM Solution: Independent Executive Partner.

We sit on the client's side of the table. We provide the Executive Clarity needed to cut the knot.

From 'Fail-Safe' Planning to 'Non-Stop' Operations

Single Accountability. Global Elasticity.

The Structural Advantage:

- 1. No Bureaucracy:**
Single line of accountability.
Zero ambiguity.
- 2. High Expertise, Low Fixed Cost:**
Activate CTO-level guidance and
scale resources only when needed.

Move from Stagnation to Completion.

Japanese Governance + Global Speed.
We don't just manage projects; we ensure they finish.
